Temperance | Front End Developer July 2025 – August 2025

A goal and productivity management web application that helps users organize goals, manage tasks, track progress, and monitor productivity. Contributed as a Front-End Developer by developing responsive user interfaces and implementing interactive features using React and Tailwind CSS.

PPh 21 Monthly Calculator | Software Developer December 2025 – February 2026

Developed a desktop tax calculator application using Python and PyQt6 to support accounting practicum at Gunadarma University's Tax Laboratory. The application automates PPh 21 tax calculations based on user input and applicable tax schemes through an intuitive graphical interface.

Iftar Invitation Web – Tax Laboratory Gunadarma | Front End Developer March 2025

Developed a responsive and interactive invitation website for the Tax Laboratory's Iftar event at Gunadarma University using HTML, CSS, and JavaScript. Designed a modern user interface to provide an engaging and accessible experience across desktop and mobile devices.

SocialCollateral AI: Jaringan Amanah Amarta | UI/UX Designer November 2025

Designed the UI/UX for SocialCollateral AI, a microfinance platform that helps evaluate social trust in the credit assessment process. Created user flows, wireframes, and interactive prototypes while designing a clean, responsive interface focused on usability and consistency.

Experience

Tax Laboratory Gunadarma University

Depok, Indonesia

PIC of IT Support

Feb 2025 – Recent

- Performed regular maintenance on campus laboratory PCs to ensure smooth and reliable practicum sessions.
- Developed an interactive and visually engaging website for a community iftar invitation, focusing on user experience and design aesthetics.
- Managed practicum score data entry in Excel by reviewing and correcting formulas to ensure accurate and efficient grade calculations.
- Developed a desktop application using Python and PyQt6 to support tax calculation practicums at Gunadarma University's Tax Laboratory.

Leadership & Activities

ITSociart Sports & Art Event

Bekasi, Indonesia

Event Division Staff

July 2024
